

1st Beer Keg Rocket
1/15 Scale Paper Model Instructions

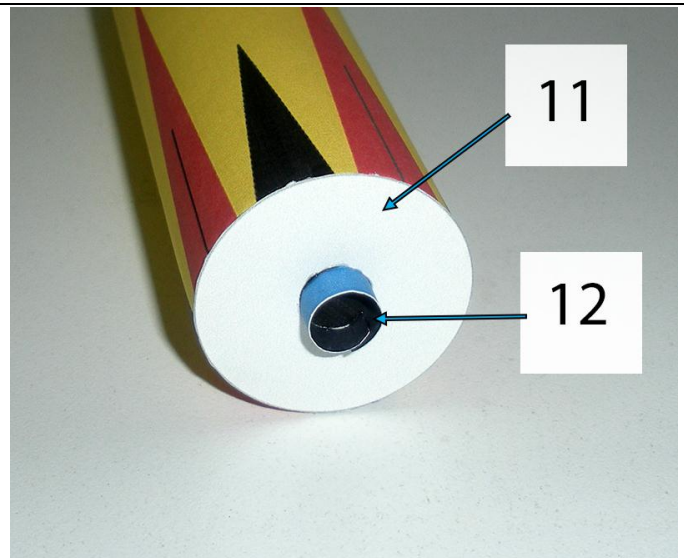

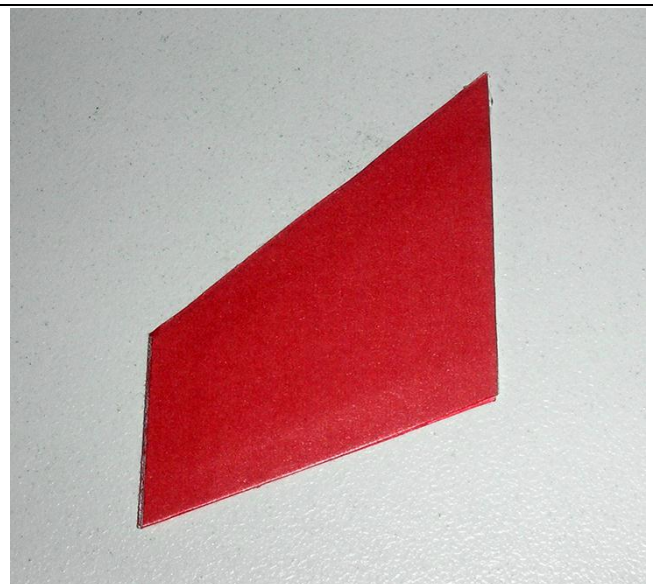

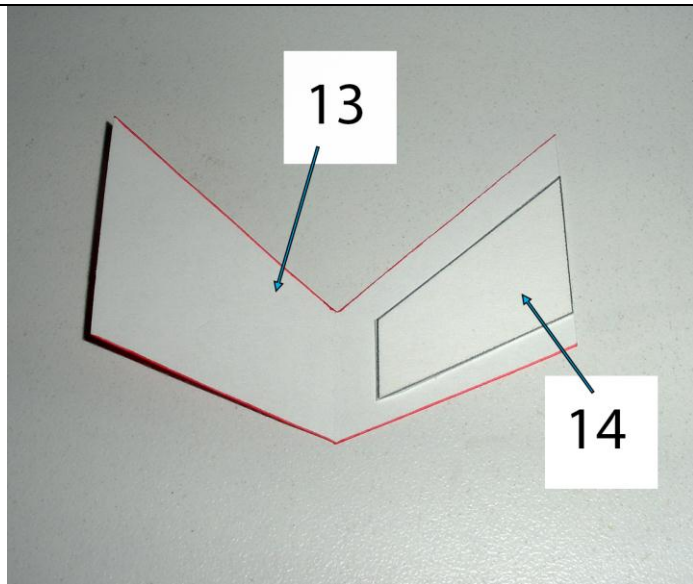

The **1 to 2 connector** (hidden) connects parts **1** and **2** together. Align all seems when gluing **parts 5-10** into a cone.

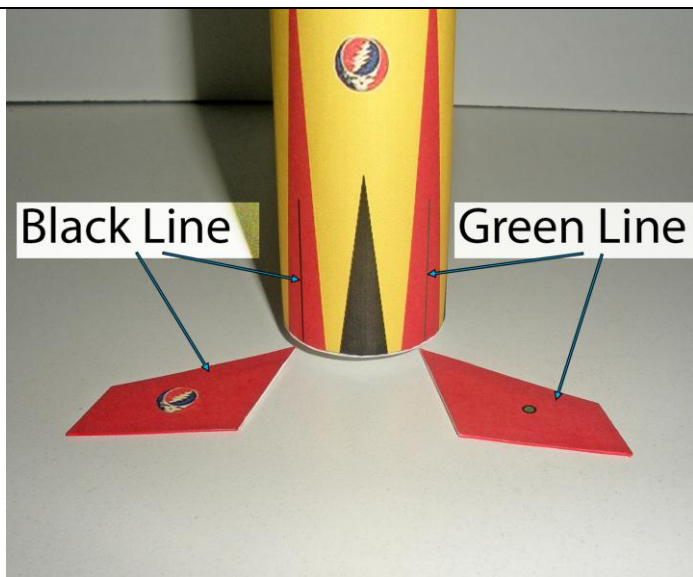

Align all seems on the back side.

FINS- Glue **14** to cardstock. Glue each inside as shown.

Make 4 of these.

Glue these two fins as indicated above, then glue the other two fins in the body.

Your model is done.
