

Dong Fang Hong 1 1/14 Scale Paper Model Instructions

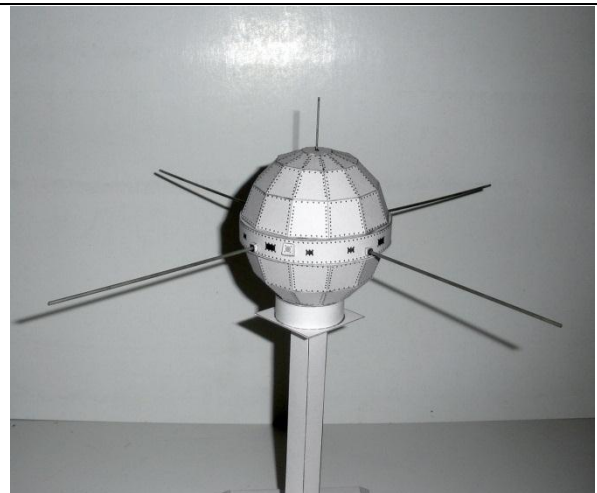

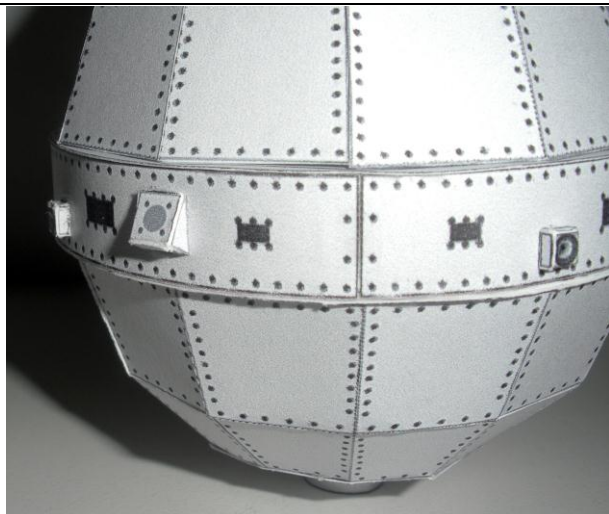

Pay attention to which is the TOP and which is the BOTTOM on **Part 8**. It's labeled on the parts sheet. Bottom dome (Parts **1a -4a**) is built the same way.

Match the RED MARKER on **6** and **9** to the seem on **8**.

Fold-glue these to their labeled areas on part **8**. These are four for **Part 10** and two for **Part 11**.

The larger antennas are inserted and glued into the hole of part **10**. The smaller antenna is glued on top.

Your model is done.
