

ESTCube-1

$\frac{1}{2}$ Scale Paper Model Instructions

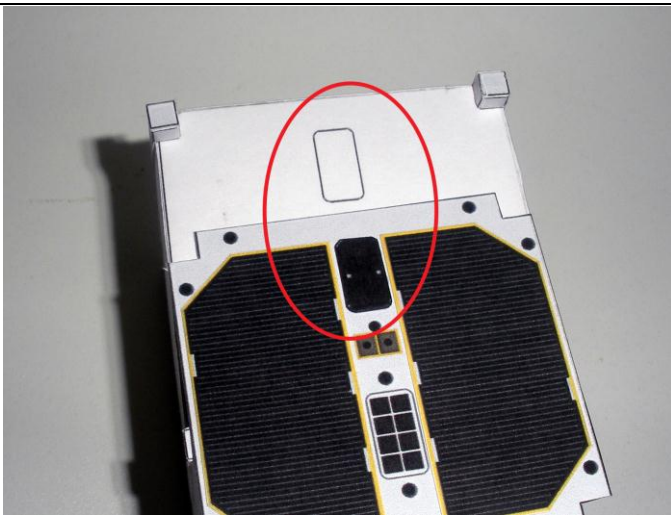

Ends on part **2** are folded into boxes.

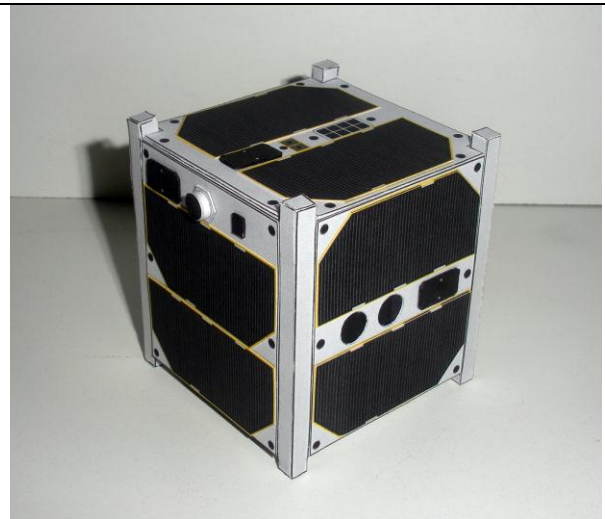

Glue part **7** on labeled on parts **3-6**.

Glue **8-10** on their labeled areas on part **5** as shown above.
If desired, glued **optional detail parts** (solar cells) over the matching graphics as well on parts 3-6.

Glue the Top and Bottom panels (**part 6**) on the top and bottom of the body. Match the black rectangle to the similar graphic as shown for proper orientation.

Glue the side panels (**parts 3-5**) to their labeled areas on the body.

Cut out the light blue circles from part **3** and glue it to the front – or the area labeled “3”.

Your model is done.
