

FITSat-1

1/2 Scale Paper Model Instructions

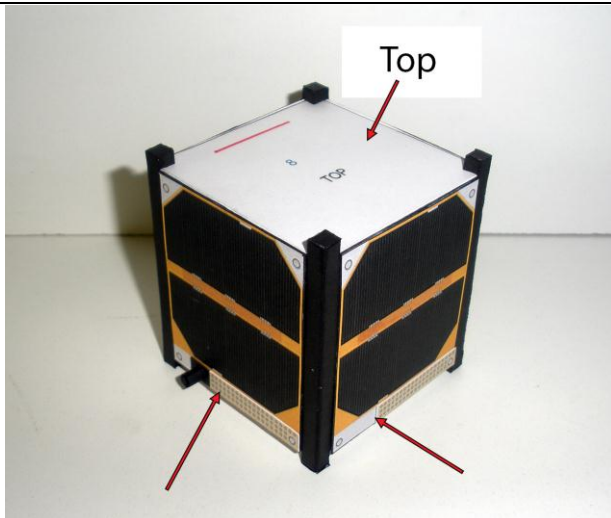

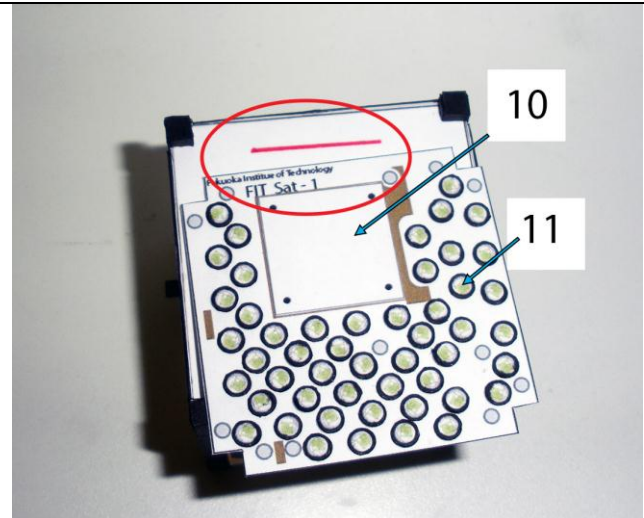

Ends on **part 2** are folded into boxes.

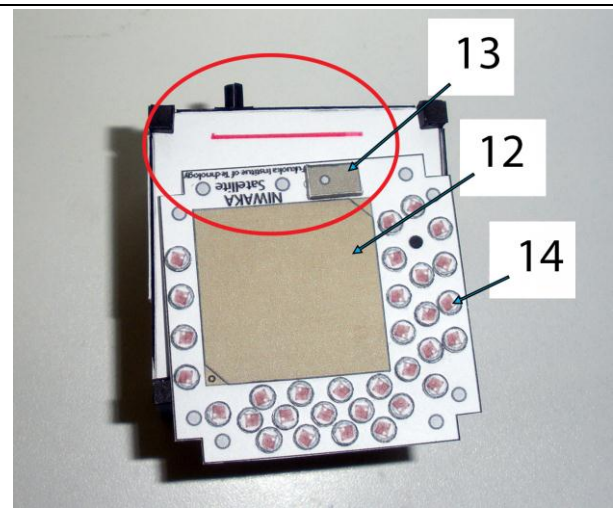

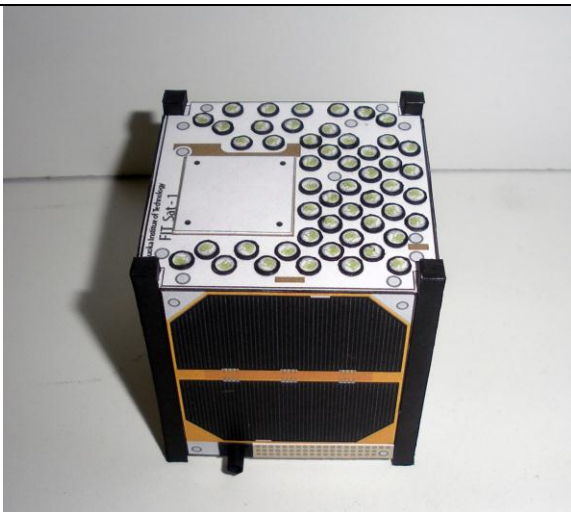

7 is also glued on **parts 4** in the same manner.

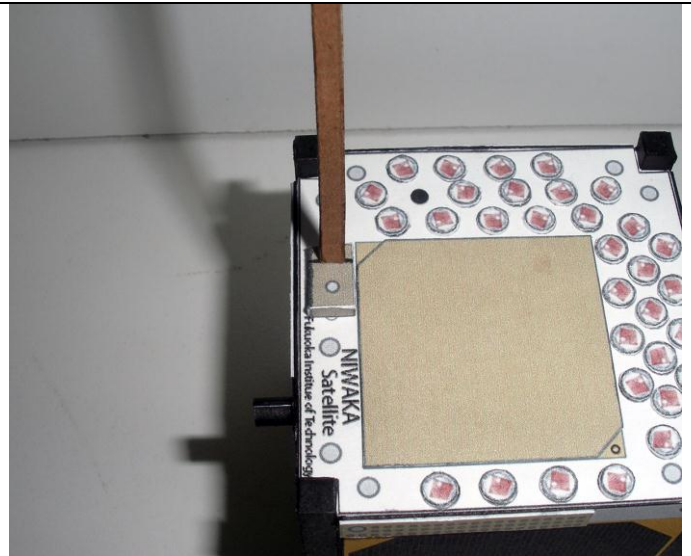

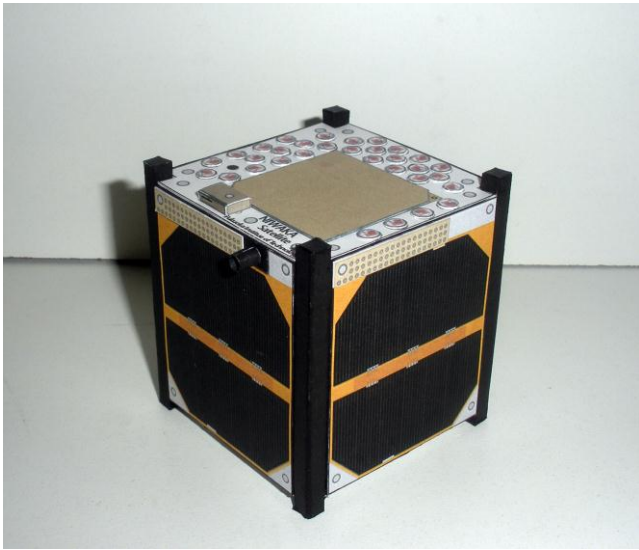

Glue the side panels (**Parts 3, 4**) on as shown with the wide strip located on the bottom edge of the body. Part 3 must be glued onto the side labeled '3'.

Glue **10, 11** onto **part 8**. There 50 pcs of part 11 which are glued onto the circle graphics on part 8.
Glue this onto the TOP of the body, matching the red line with the word "FIT Sat-1" on part 8 as shown for proper orientation.

Glue these in like manner onto **Part 9**. Glue to the **BOTTOM** of the body matching the red line with the word "**NIWAKA**"
For proper part orientation with the body.

Glue the **antenna** on the black line on top of **part 13**.
This area will look alittle different on your model.

Your model is done.
