

Epsilon-1 Launch Vehicle

1/96 Scale paper Model Instructions

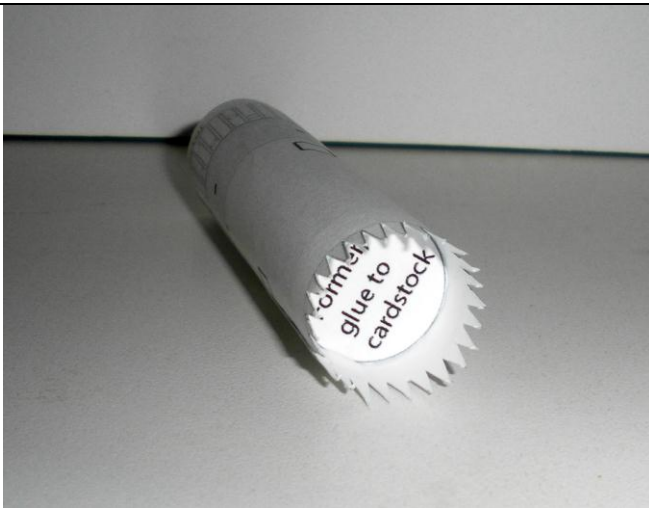

Parts 1 and 3

Formers are optional, but recommended.

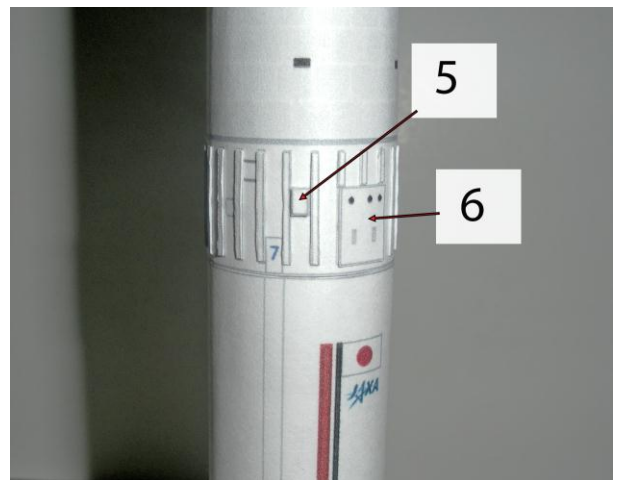

Part 2

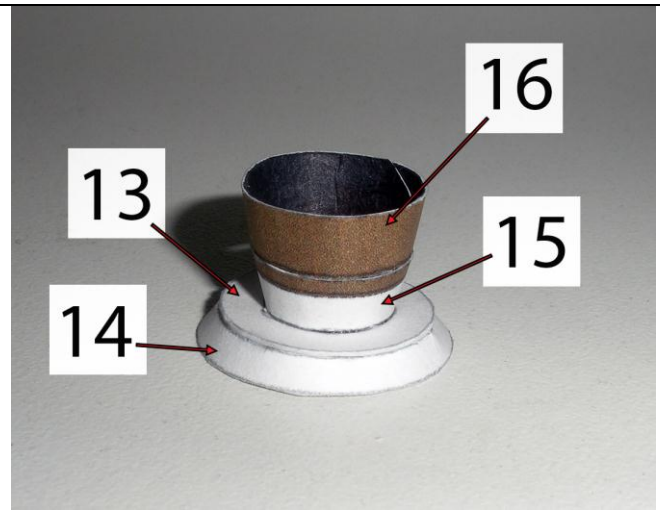

Fold the tabs at mid point, then glue the cone together.

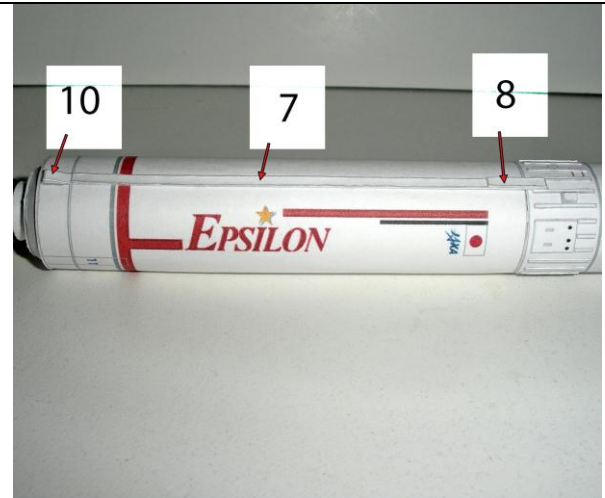

Glue the three parts together as shown, keep all seams aligned.

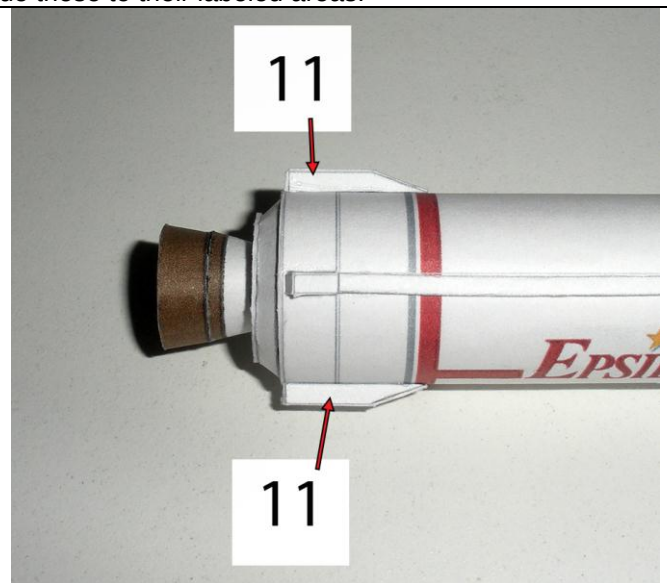

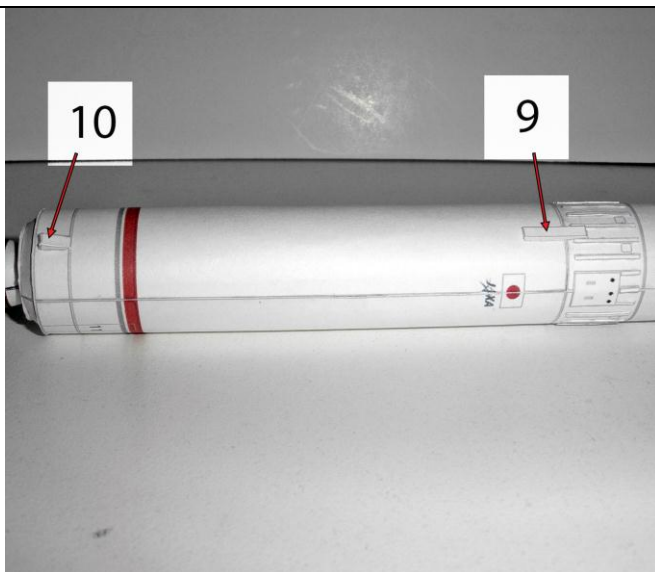

Glue **parts 4** onto the matching lines. Glue **5** on the labeled area and **part 6** onto both labeled areas.

Glue **12** to the bottom.

Glue these to their labeled areas.

Glue these to their labeled areas.

Your model is done.
