

Nike Apache Sounding Rocket 1/22 Scale Paper Model Instructions

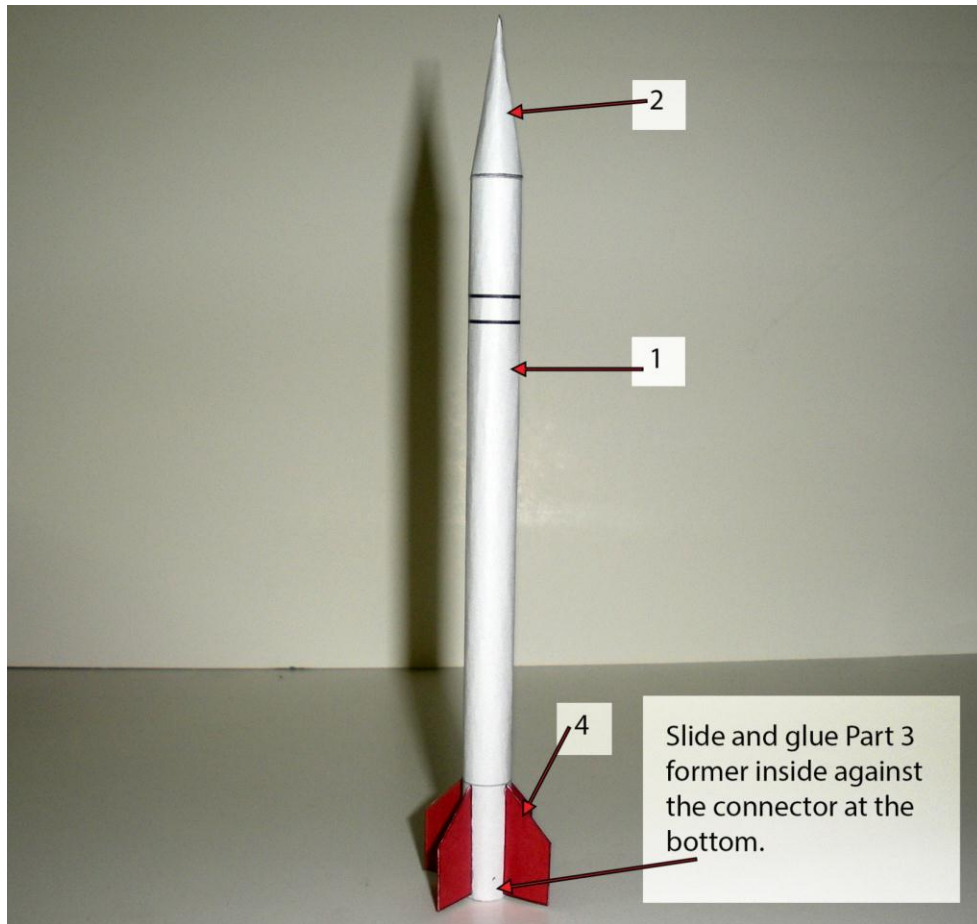

Build Notes:

Keeping all part seems aligned in a straight line will insure proper fin and graphics orientation.

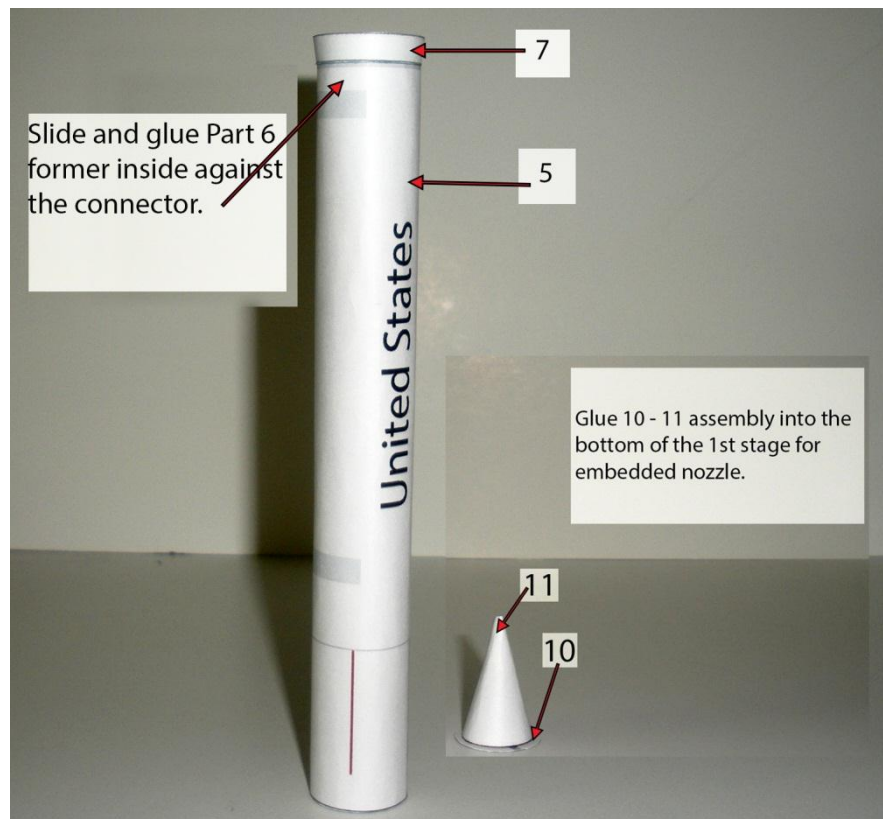

There's a difference between the **1st Stage graphics** on the directions and the graphics on your model. Corrections were made during this initial build.

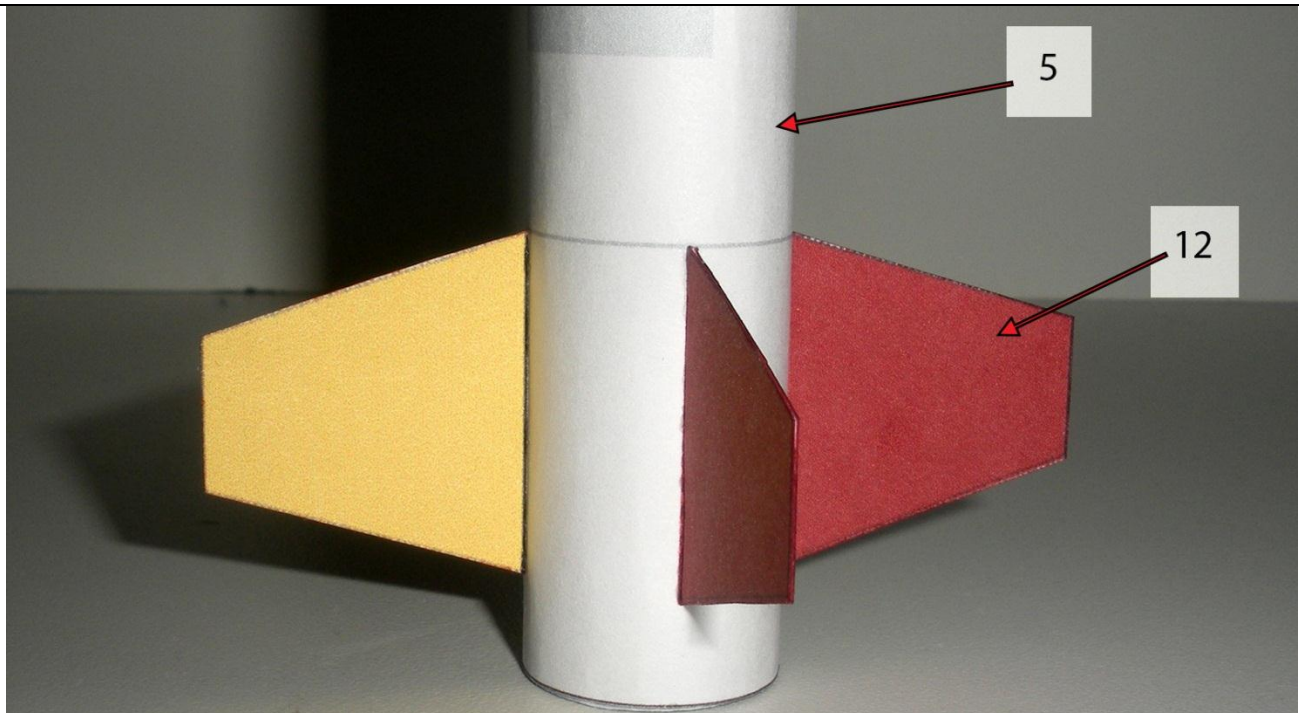

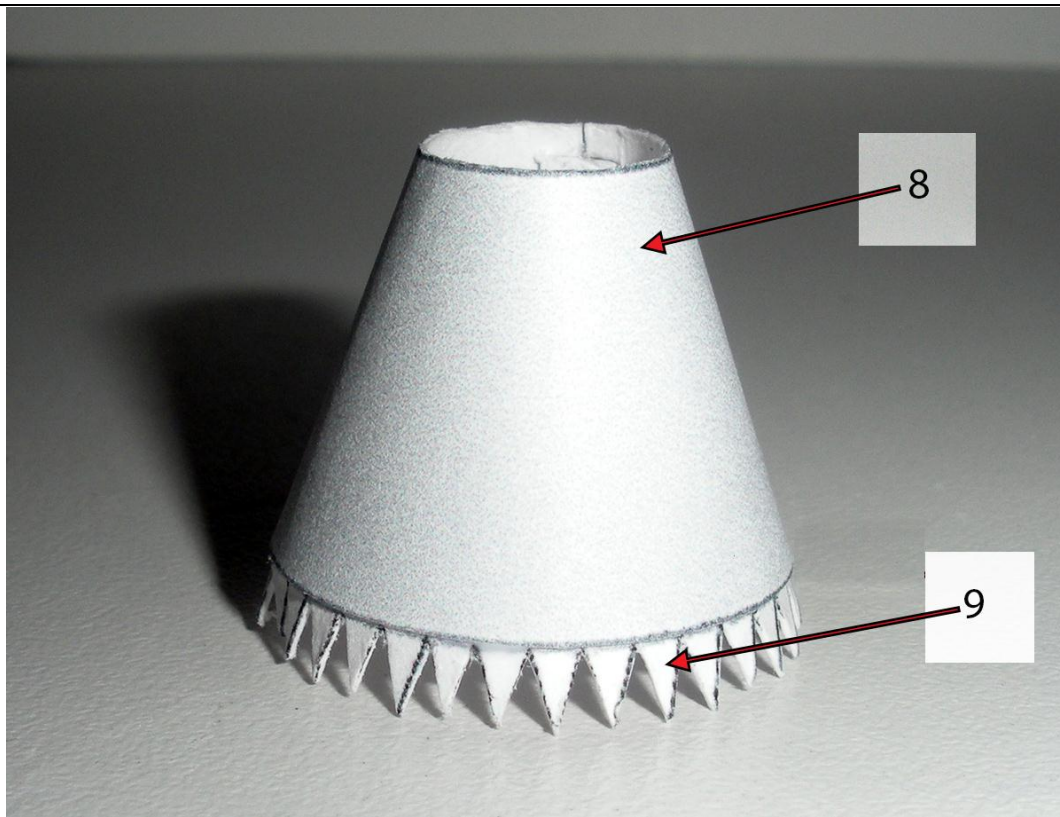

Enjoy.

2nd Stage

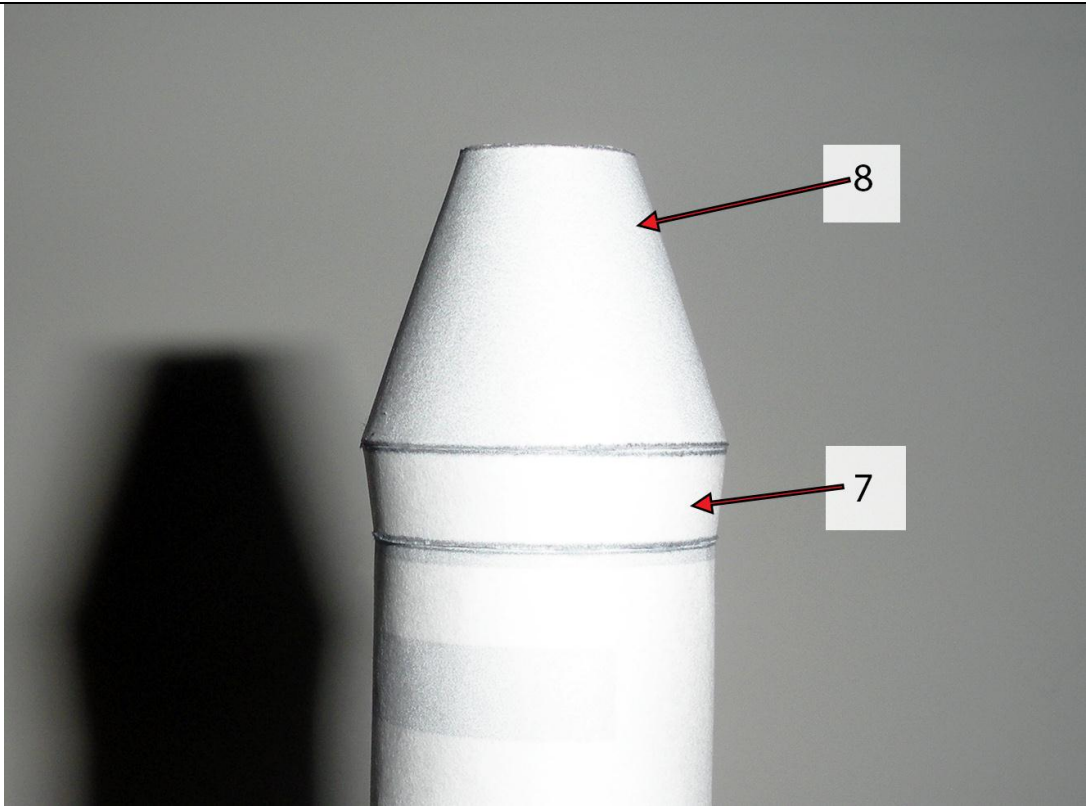

1st Stage

Glue the fins onto 4 the lines near bottom of the
1st stage as shown.
Yellow fins is glued to the yellow line

Glue the 2nd stage on top of the 1st stage and let dry. Model is complete.
